VISHAL RAUL

Creative Lead (Web, Print, Social Media, Mobile Application, UI/UX)

I'm a designer, currently based in Mumbai, India. I graduated with a Bachelor of Commerce, and I started my career as a designer in May 2007, I fell in love with graphic design in my collage days and this relationship still continued. I design for print, web, social media working across a wide range of disciplines including UI & UX, mobile application, logo design, layout and branding. I also have experience with Web Design, SMO, SEO, Video Editing, Videography and Photography.
